

Parent Teacher Committee Meeting
March 18, 2008

The group met with 4 members and Mrs. Cunningham.

Ice Cream Social was discussed. We have been given then left over ice cream from the Jefferson Scoop. In years past it was held by just one class, this year would be a school event. Miss Angel will be asked about space and time available in the gym for school social, possible a Beach Day theme. Tentative date Friday before break February 15, but 12, 13 or 14 were possibly days also. It was discussed to have the 4th graders go with their 1st grader-reading buddies. Classes to go in different intervals for social. Kari to email Vicky Dill for ice cream storage for day. Cheryl to check with Miss Angel and Mr. Nelson about use of gym.

Barbara Cunningham presented the group with a yard sale type program. The consignment sale would be hosted by the PTC. Items would be received and ticketed with sellers assigned number. Sale would be all day or weekend event. The seller would pick up unsold items their consignment check at the end of the sale. There would be a 70% - 30% split with the seller and PTC, respectively.

Heart to Heart dance has minor glitch. DJ will not be available. It was suggested that we pay an 8th grader for the service. Kathy will do a letter to Pine State for possible donation. Cheryl will check with Art Department for decorations.

Kari reported the grandparents breakfast profit was \$60.90. We collected \$124.25 at the door with \$63.35 owed to the kitchen.

The group suggested doing another Little Ceasars Pizza Sale. We targeted March 14th for the sale, money due the 28th and delivery April 4.

At the February 5th meeting Kristy Bisset will have a representative from Usbourne Books present for a student reading incentive program.

Fifteen sleds for kids will be purchased for the 3-4th graders.

Next meeting will be February 5th.
