

Parent Teacher Committee Meeting  
March 15, 2007

President's report, 5 members present.

Cheryl reported that the sock hop was an excellent event bringing in \$223. The movie night needs some tweaking. Money collected at movie night (\$77) would be put towards teacher's wish lists. Pepsi donated \$63.80 and Pine State \$66 in drinks for the events.

School photography discussion tabled until April 12 where a representative from Hallmark School Photos will be present.

#### Grandparents Breakfast

Vicki Dill was present from the Kitchen to discuss menu, preparations, etc. It was discussed to have coffee, Mr. Nelson to provide 40-cup coffee maker; Robin volunteered to pick up coffee and creamer. The kitchen would provide sugar. The PTC stated that Jen has the cups and napkins from movie night and if we need more she could get some from Hannaford. The invites would have a RSVP date so we can report to Vicki how many will be attending. The cost will be \$2.00 for grandparent/parent/adult; non-school age children would be \$0.50. School children will be checked off and charged by Vicki.

The breakfast will be April 10 from 7:30 – 8:00 AM. There will be cereal, milk, juice, blueberry and pumpkin/chocolate chip muffins, and sliced apples. Vicki stated she is in the kitchen at 6:00 AM. The PTC will be there to decorate tables, and collect money at the door.

Mr. Nelson thanked the PTC for what we are doing. He said it tells others out there that there are people that care for the kids and teachers at the school.

Penny Drive. Jen absent. Kari reported that there is a wish list posted by the kids, however the collections cans are pretty empty.

School Store. There is one and it is run by Carol Kimball.

Spring Fundraiser. The PTC agreed that it was too late to get one started for Easter and that the Grandparents breakfast would be our next fundraiser.

Teacher Appreciation. Cheryl suggested having a lunch for them and put out a survey of what they might like to have on the menu. Not all may like mac and cheese, etc. Robin reported that at Nobleboro the teachers are left little gifts, food items, etc in teacher's lounge. Kathy has purchased shoebox type totes to put supplies in. She will run labels with teacher's names and then place the donated items from their wish lists in totes and place in teachers lounge.

Next meeting will be April 12 (3rd Thursday falls during Spring Break) at **5:00 PM** because the Hallmark Photo representative will be here from Massachusetts.

Cheryl will call the representative from Hockmeyer Studio and see if she can attend a meeting on April 26, time to be announced, but probably 5:00 PM because of travel.

Plant sale tabled until April 12 meeting.

Further discussion on Teacher Appreciation week tabled until April 12.

Next meeting Thursday, April 12 at 5:00 PM

Respectfully submitted,

Kathy Hodnett  
PTC Secretary
