

Jefferson Parent Teacher Committee  
May 5, 2008

There were four members present.

Teacher Appreciation Week. Teacher's breakfast looked like it went off with out a hitch. The School Board had a letter of appreciation on the table for the teachers. It was discussed to drop the idea of the gift certificates for the teachers. Cheryl is putting together the survival packets to be passed out Wednesday. Kristy will pick up some chocolate for a sweet treat on Thursday. It was discussed to do a candy bouquet for next year. A Subway sandwich will be provided for the teachers for Friday.

Treasurer reported our balance is \$690.18. The clay for the art department had been purchased. It was noted that if the account goes below \$500 there will be a \$2.00 month service charge. Kari gave Kristy a check for the Subway sandwich (last year was \$185) and a check to Cheryl for the survival pack ingredients.

Future fundraisers were discussed to include basket(s) raffle at Community Days. One with school supplies; the other with a bar-b-que theme or pamper me. Community Days was tabled for next meeting.

The Odyssey of the Minds students are actively fundraising for their upcoming trip to Baltimore, Maryland. They will be hosting the bake sale at the art show on May 14. The PTC has been asked to help bake products for this sale. Cheryl will email Kathy Peabody to see how she wants the items wrapped for sale. An email will be sent to PTC looking for bakers.

There are teddy grahams left over from the Heart to Heart dance, it was agreed to give them to Kindergarten class for snack.

The Committee discussed the Norton family's recent loss. It was discussed to purchase gift certificate(s) from County Corners for Pizza and a shrub/bush of some sort. Cheryl will look into gift certificate and Longfellow's Greenhouse for advice on a plant.

The kitchen does not have a towel dispenser over the sink intended for hand washing. Cheryl will look into why it is down and see if the PTC needs to ensure that a new one is in place.

Picture day went extremely well and photo session was ahead of schedule. Incentive Reading program is in progress.

It was discussed that the school look into colorful school spirit wear. Kristy has the website and will bring to next meeting.

The anti-bullying program at school is not currently in order, when everyone believes it is in order and implemented.

Next meeting will be June 9.

Respectfully Submitted,

Kathy Hodnett
